"Win an Ipad 2" Competition's lucky winner Jamie Young (pictured above on right), was thrilled to receive his prize in March. The promotion ran between March 1st & March 16th - all you had to do was spend \$1,000 or more on one invoice in any of Keith Timber Group's stores, and you were automatically placed in the draw.

The competition was drawn on the 19th March 2012, with the lucky winner being builder, Jamie Young from Mundulla.

Congratulations Jamie! We hope you enjoy your Ipad 2!
